Do you think regulations to protect tenants from bad landlords go too far, do not go far enough, or are they about right?

Base: Nationally representative sample of 1,119 Sky customers, weighted to match the profile of the population. Respondents interviewed online 23-26 November 2018.

The government has recently withdrawn a number of tax advantages for landlords. These include higher stamp duty for landlords purchasing additional properties, and reducing the level of tax relief landlords can claim on the mortgage interest which they pay. Do you think these changes are fair or unfair?

Base: Nationally representative sample of 1,119 Sky customers, weighted to match the profile of the population. Respondents interviewed online 23-26 November 2018.
